*The combination of the Pre-Podiatry Program with a major in the College of Arts and Sciences can usually be finished in 4 years if both major and Pre-Podiatry classes are started the first year (the Communication Sciences and Disorders major is an exception). The combination of the Pre-Podiatry program with a major outside of the College of Arts and Sciences, such as most majors within the John D. Odegard School of Aerospace Sciences, the College of Engineering and Mines, the Nistler College of Business and Public Administration, the College of Nursing and Professional Disciplines, the College of Education and Human Development, and the School of Medicine and Health
