Bachelor of Science in Rehabilitation and Human Services/Master of Arts in Counseling

Admission Requirements

The deadline for a completed application to be received in the School of Graduate Studies is February 1. In addition to the admission requirements for the Counseling Master’s program, a completed application must include the following:

1. A plan of study must be filed which demonstrates when course requirements will be taken to meet the requirements or the major or minor in Rehabilitation and Human Services and the MA in Counseling is required as part of the application process to this Combined Degree program. Individuals who are obtaining the BS degree in RHS are not required to complete RHS 997 - Internship in Rehabilitation, but are required to complete Coun 588 - Rehabilitation Counseling Internship. With this exception, all other requirements of the RHS major or minor and the Coun MA degree must be met.

2. Code | Title                                                                 | Credits
---|---|---
Part I - Essential Studies Requirements
Part II - College of EHD Requirements
Part III - Core Curriculum for RHS Majors (except RHS 497)
Part IV - Extra-Departmental Requirements for RHS Majors
Part V - One 10-credit Concentration for RHS Majors
For RHS Minors - 15 Credits of Required Courses and 5 Credits of Listed Electives

3. Minimum GPA of 3.0 in all undergraduate work.
4. Written statement of interest in Rehabilitation Counseling as a profession.

Students are granted approved admission status in the School of Graduate Studies when they have completed a total of 125 undergraduate credits with an overall GPA of 3.0 or higher. This program allows students to designate two three-credit graduate courses to count for both degrees. These courses would be COUN 514 Rehabilitation Counseling: Assessment and Evaluation and COUN 519 Career Counseling.

The B.S. degree and the minor in Rehabilitation and Human Services, along with the M.A. degree in Counseling are granted at the same time. In the event that a student does not complete the graduate degree, the B.S. degree is granted only after the completion of 120 credits, including an approved rehabilitation internship.

Degree Requirements

1. Completion of an additional 24 undergraduate credits during or after the senior year.
2. Completion of at least 60 credits of graduate course work, including:

   Code | Title                                                                 | Credits
