- Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering>)
 - Biomedical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/biomedicalengineering>)
 - Doctor of Philosophy in Biomedical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/biomedicalengineering/phd>)
 - Joint Master of Science-Doctor of Philosophy Degree in Biomedical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/biomedicalengineering/jointdegree>)
 - Master of Science in Biomedical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/biomedicalengineering/ms>)
 - Chemical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/chemicalengineering>)
 - Doctor of Philosophy in Chemical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/chemicalengineering/chemeng-phd>)
 - Master of Engineering in Chemical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/chemicalengineering/chemeng-meng>)
 - Master of Science in Chemical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/chemicalengineering/chemeng-ms>)
 - Civil Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/civilengineering>)
 - Combined Degree in Civil Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/civilengineering/ce-comb>)
 - Doctor of Philosophy in Civil Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/civilengineering/ce-phd>)
 - Master of Engineering in Civil Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/civilengineering/ce-meng>)
 - Master of Science in Civil Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/civilengineering/ce-ms>)
 - Doctor of Philosophy in Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/phd>)
 - Electrical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/electricalengineering>)
 - Combined B.S./M.S. or B.S./M. Engr. Degrees in Electrical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/electricalengineering/ee-comb>)
 - Doctor of Philosophy in Electrical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/electricalengineering/ee-phd>)
 - Master of Engineering in Electrical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/electricalengineering/ee-meng>)
 - Master of Science in Cyber Security - Online (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/electricalengineering/ee-ms-cs>)
 - Master of Science in Electrical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/electricalengineering/ee-ms>)
 - Energy Systems Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/sustainableenergyengineering>)
 - Doctor of Philosophy in Energy Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/sustainableenergyengineering/ese-phd>)
 - Master of Engineering in Energy Systems Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/sustainableenergyengineering/ese-meng>)
 - Master of Science in Energy Systems Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/sustainableenergyengineering/ese-ms>)
 - Environmental Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/environmentalengineering>)
 - Certificate in Environmental Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/environmentalengineering/env-eng-cert>)

- Doctor of Philosophy in Environmental Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/environmentalengineering/env-phd>)
- Master of Engineering in Environmental Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/environmentalengineering/env-meng>)
- Master of Science in Environmental Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/environmentalengineering/env-ms>)
- Geological Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/geologicalengineering>)
 - Doctor of Philosophy in Geological Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/geologicalengineering/geoe-phd>)
 - Master of Science in Geological Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/geologicalengineering/geoe-ms>)
- Mechanical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/mechanicalengineering>)
 - Doctor of Philosophy in Mechanical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/mechanicalengineering/me-phd>)
 - Graduate Certificate in Unmanned Aircraft Systems Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/mechanicalengineering/me-cert-uase>)
 - Master of Engineering in Mechanical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/mechanicalengineering/me-meng>)
 - Master of Engineering in Unmanned Aircraft Systems Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/mechanicalengineering/me-mengr-uase>)
 - Master of Science in Mechanical Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/mechanicalengineering/me-ms>)
 - Master of Science in Unmanned Aircraft Systems Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/mechanicalengineering/me-ms-uase>)
- Petroleum Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/petroleumengineering>)
 - Doctor of Philosophy in Petroleum Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/petroleumengineering/ptre-phd>)
 - Master of Engineering in Petroleum Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/petroleumengineering/ptre-meng>)
 - Master of Science in Petroleum Engineering (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/engineering/petroleumengineering/ptre-ms>)
- English Language and Literature (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/englishlanguageandliterature>)
- Doctor of Philosophy in English (<http://und-public.courseleaf.com/graduateacademicinformation/departmentalcoursesprograms/englishlanguageandliterature/engl-phd>)
