

Arts and Sciences (A & S)

<http://www.arts-sciences.und.edu>

The College of Arts and Sciences offers a limited number of non-departmental courses. Among these are , A&S 299 Special Topics and A&S 499 Special Topics. They provide for on-demand courses in areas of particular relevance when students or faculty members wish to initiate them. They can provide special-interest courses for particular groups of students. They can serve as a curricular laboratory for experimental courses which may later be established as regular offerings within departments or programs. Students and faculty members wishing to initiate course offerings under A&S 294 Directed Studies, A&S 299 Special Topics, and A&S 499 Special Topics should present their proposals in writing to the Dean of the College. See the Arts and Sciences website (<http://www.und.edu/dept/artsci>) for the appropriate A&S course request forms.
