^{*}The combination of the Pre-Chiropractic Program with any major at UND can usually be finished in 4 years if both major and Pre-Chiropractic classes are started the first year. All students must earn at least 120 credits (36 of which must be 300-400 level), fulfill Essential Studies requirements, and complete all major requirements in order to graduate with a bachelor's degree from UND. Students should meet with their Health Sciences advisor and major advisor regularly to ensure all requirements are met by the time of graduation.

**Courses for Groups 1, 2, and 3:

Group 1 courses are required: COMM 110, ENGL 110, ENGL 130, MATH 146, PSYC 111
