

K-12 Principal Certificate

K-12 Principal Certificate

The following UND courses are approved by the North Dakota Department of Public Instruction (NDDPI) and aligned to meet the requirements of the North Dakota Principal Credential. NDDPI administrative rule 67-11-21 requires a master's degree in a certifiable education field in addition to twenty semester hours of credits from a state-approved program in order to qualify for this credential. Additionally, the courses are aligned to the National Educational Leadership Preparation (NELP) standards as required and listed.

| Code | Title | Credits |
|---------|--|---------|
